GENERAL PAYMENT POLICIES

Our package provides a valuable service for a reasonable fee with payment terms that even a small group can afford. The following information describes our charges and payment policies.

TERMS AND CONDITIONS:

1. OUR FEES: The charge for our **Nonprofit Start-up/Tax Exempt Status Package** will range from \$3,900 to \$7,500 depending on the size and complexity of the organization, the nature of its legal needs, and other factors which require additional time and service.

2. ACTUAL EXPENSES: It is a standard practice for law offices to bill actual expenses separately from fees. In keeping with our flat fee approach, we have bundled the costs for filing fees, fax, postage, office supplies, and copies into a single flat fee of \$190.

3. SEPARATE IRS FILING FEE: The IRS filing fee is \$275 and must be paid by the applicant at the time of online filing of the Form 1023-EZ. This fee is not part of the package price.

3. OVERTIME AND TRAVEL EXPENSES: Please refer to attached overtime and travel expense sheet.

4. PAYMENT SCHEDULE: To help nonprofit groups with limited funds, we only ask for payment of **half** the total package fee when we begin working for your nonprofit organization. The remainder is due according to the terms of your Payment Agreement. Special payment terms are available on request. Interest charges of 18% per annum, or 1.5% per month, will be charged on any amount not paid as agreed upon in your Payment Agreement.

ADDITIONAL WORK: We would be very glad to provide other legal services for you, as well. Please tell us if our help is needed on issues beyond the scope of the basic organizational issues related to the Package, such as writing or reviewing contracts, employment and personnel issues, intellectual property, negotiation or advice regarding leases or real estate transactions, conflict mediation, or issues involving other organizations. **We charge separately and on an hourly basis for these additional legal services.**

PAYMENT POLICY FOR TRAVEL AND EVENING/WEEKEND CHARGES

1. TRAVEL CHARGES:

Due to our large caseload, we always prefer to conduct our meetings and Board Training Seminars at our office in Eugene or somewhere nearby in the Eugene-Springfield area. Our conference room easily accommodates 6-10 people and there are rooms available nearby which will hold more.

If you schedule a meeting or seminar outside the Eugene-Springfield area, we bill for travel time. This is standard procedure for the legal profession. Most law offices charge the full hourly rate for travel under the theory that the attorney would be earning that amount if he or she were to stay in the office and work. But, in keeping with our conscious choice to keep our hourly rates and fees affordable, our charge for travel time is only \$75 per hour, or less than 40% of our hourly rate, plus the actual mileage expense as approved by the IRS. It is our hope that our reduced rates will benefit your organization and encourage you to ask us to travel to your location for meetings or seminars when needed.

2. OVERTIME CHARGES:

We always prefer to schedule meetings and seminars during our regular business hours, from 9 a.m. to 6 p.m. However, we are willing to be available at other times when necessary. For meetings or seminars scheduled on Saturday or Sunday or in the evening, there will be an "overtime" charge of \$60 per hour added to the regular hourly rate.

If you have any questions regarding our services or need any further information, please contact us at your convenience.
